The Beacon Foundation is celebrating its 20th Anniversary in 2008 and wants you to join the party!

From humble beginnings in Tasmania in 1988, Beacon now works with over 10,000 young people around Australia each year to help reduce Youth Unemployment.

During the week of 16-20 June 2008 Beacon will hold a National Charter Signing Week for all schools on the No Dole program.

Over this week 10,000 grade 10 students will commit to further education, training or employment at the end of compulsory schooling, rather than going into the social welfare cycle.

The event is aimed at celebrating the achievements of Beacon and the dedication of schools in helping young people to choose a positive pathway in life.

Feel free to share your ideas with your Beacon Coordinators – make it your day!!!!

More details on the event will be finalised closer to the date.
